## Dr Dharmesh Kothari

MBBS, FRANZCOG

Obstetrician, Gynaecologist & Laparoscopic Surgeon

Phone: (02) 4295 2968

Dr Dharmesh Kothari has trained in Australia and internationally in Obstetrics and Gynaecology with immense clinical experience.

He has been practicing Obstetrics and Gynaecology since 2002, initially at one of Asia's largest maternity units, which performs over 10,000 births per year. He gained invaluable experience in high risk obstetrics and emergency gynaecology during this time. On completing his specialist training in 2006, he gained extensive experience by performing over 600 major gynaecological procedures independently, which included abdominal, vaginal and laparoscopic surgeries.

Dr Kothari specialises in and is now performing the following procedures at Shellharbour Private Hospital:

- Advanced Laparoscopic & Hysteroscopic procedures
- Total Laparoscopic Hysterectomy
- Abdominal and Vaginal procedures
- Incontinence procedures

Dr Kothari also provides routine and high risk obstetric care to patients in the Illawarra.

Dr Kothari utilises the latest technology and minimally invasive techniques to provide the best positive outcomes for his patients. Dr Kothari also provides all procedures performed at Shellharbour Private Hospital as no gap to the patient leaving no out of pocket expenses to the patient.

Dr Kothari has a vision for developing models of care that will deliver excellence in healthcare in partnership. Care will be professional, coordinated, respectful and compassionate. Care will reflect the latest evidence and research; be supported by quality education and clinical expertise.
