

Registered / Enrolled Nurse

Full time, Part time, Casual

We are seeking experienced Nurses to join our team of dedicated professionals and be part of an organisation committed to providing a respectful, collaborative and learning environment.

Shellharbour Private Hospital is a 56-bed facility, delivering specialised surgical, medical and rehabilitative care to the Illawarra and South Coast. The hospital has an excellent reputation in providing high-quality patient-centred care to the local community and we're looking for Registered and Enrolled Nurses who will be dedicated to maintaining an exceptional level of care. We offer a supportive environment for our employees with a strong commitment to ongoing education and professional development.

We are an acute surgical facility, comprising of 3 operating theatres, a new 4-bed HDU and rehabilitation centre. We specialise in the delivery of General, Urology, Orthopaedic, Endoscopy, ENT, Dental, Plastic and Reconstructive Surgery.

The Role

Due to ongoing growth, we have a number of opportunities for highly motivated and experienced Registered and Enrolled Nurses to work across our medical and surgical wards.

- Provide safe and effective patient-centred nursing care to the patients/clients of Shellharbour Private Hospital
- Work collaboratively with members of the multidisciplinary health team
- Ensure optimal outcomes for patients/clients and carers of the service through the promotion of best practice
- Effectively manage resources relevant to the service
- Act as an advocate for the specific needs of all patients/clients and carers including those from the indigenous population or other multi-cultural groups providing appropriate care to the patient/client undergoing specialised procedures

Skills and Experience

- Current registration with the Australian Health Practitioner Registration Agency (AHPRA)
- Current surgical nursing experience within an acute hospital setting desirable
- Demonstrated effective typed, written, & verbal communication skills
- Demonstrated ability to organise & prioritise workloads, as well as problem solve situations
- A commitment to working in a close-knit team environment
- Minimum 2 years of experience on a medical or surgical ward
- National Criminal Record Check
- Working with Children Check
